MRS. JOSEPH

Suffered With Stomach.
Mrs. John Underwood, 520 W. Walnut St., Columbus, Ohio, writes:
"Having had catarrh and stomach trouble and having suffered very much, I, after being doctored a long while, as a last resort took Peruna. The result was wonderful. I would highly recommend it as a good remedy. I still use Peruna and would not be without it. I always have it in the house."

Catarrh and Stomach Trouble.
Mrs. T. Frech, R. R. No. 1, Hickory Point, Tenn., writes:

"I am happy to tell you that I am cured of catarrh. I have followed your good and kind advice faithfully. I bless the day when I wrote you of my condition, and I will always praise Peruna. I think it is one of the grandest medicines on earth."

"Having been afflicted with catarrh and stomach trouble for seven years and after having tried four different doctors they only relieved me for a little while. I gave up all hope of being cured. I only weighed 130 pounds, and was so weak I could hardly get around the room."

"I was induced to try Peruna, and to my great surprise I am now entirely well. My weight is now 185 pounds, my health never was better in my life."

"I shall always praise Dr. Hartman and his remedies."

Thousands of families have learned the use of Peruna and its value in the treatment of catarrhal ailments.

Tired, Worn-Out Mothers.
Mrs. Lydia H. Jesselyn, 501 Westminster St., Providence, R. I., is Treasurer of the Editors League of Rhode Island, chartered in Providence. She writes:

"My experience with Peruna has been most gratifying. Last winter I contracted a severe cold, and for several days I coughed until my voice failed me. When other remedies did me no good, I decided to try Peruna, and within four days the cold was broken up, and the cough abated."

"Within another week an increase in my usual strength and vitality told me that Peruna was doing all that it promised, and more. I also consider it very superior for tired, worn-out mothers, and have advised several to try it, and have seen most gratifying results from its use."

"I give it highest praise."

Bowel Trouble.

Mrs. Maggie Durbin, 1332 North St., Little Rock, Ark., writes:
"I was troubled for five years with a chronic disease. I tried everything I heard of, but nothing did me any good. Some doctors said my trouble was catarrh of the bowels, and some said consumption of the bowels."

"One doctor said he could cure me. I took his medicine two months. But it did me no good."

"A friend of mine advised me to try Peruna and I did so. After I had taken two bottles I found it was helping me, so I continued its use, and it has cured me sound and well."

"I can recommend Peruna to any one, and if any one wants to know what Peruna did for me if they will write to me I will answer promptly."

Peruna is a household remedy of great merit, and is useful in many climatic ailments, such as coughs, colds, sore throat, bronchitis and catarrhal diseases generally.

MRS. LENA R. MOUDY

MISS BESSIE B. FARRELL

Billiousness, Indigestion.

Mrs. Lena R. Moudy, 556 Caywood St., Portland, Oregon, Sec'y Royal Tribe of Joseph, writes:

"For the past six years billiousness and pains in my back and limbs made life miserable to me. My skin was sallow and dry, and indigestion was added to my troubles. I was wakeful at night and would get a weak, faint feeling during the day so that I was not fitted to attend to my regular duties. This caused me serious annoyance and trouble, and I naturally tried many remedies, hoping to get relief."

"Peruna came as a friend in need. It toned up the system, relieved the blood of the poisons and induced a healthy action of the stomach, a fine appetite and restful sleep."

"Within three months I was a changed person, and for nearly a year now I have enjoyed splendid health."

A Grateful Patient.

Mrs. Eliza J. Caze, R. F. D. 3, Bedford, Ind., writes: "I have been cured by using Peruna and Manalin. I thank you for your advice."

Restorer of Lost Strength.

Miss Bessie Farrell, 1011 Third Ave., Brooklyn, N. Y., is President of the Young People's Christian Temperance Association. She writes:

"Peruna is certainly a valuable nerve and blood remedy, calculated to build up the broken-down health of worn-out women. I have found by personal experience that it acts as a wonderful restorer of lost strength, assisting the stomach to assimilate and digest the food, and building up worn-out tissues. In my work I have had occasion to recommend it frequently, especially to sick women."

"I know of nothing which is better to build up the strength of a young mother, in fact all the ailments peculiar to women, so I am pleased to give it my hearty endorsement."

Pe-ru-na a Woman's Friend.

Mrs. Ella Embree, Clark, Mo., writes: "I am feeling better than I have felt for years. I can truthfully say that Peruna is a woman's friend. I have no more terrible pains and am stronger than I have been. Your medicine has worked like a charm."

Billous Headache.

Mrs. Emily Kellogg, 5640 S. Lawrence St., South Tacoma, Wash., member of Ladies of the Maccabees, writes:

"Three months ago I had an attack of billousness which threatened to undermine my health and strength. Luckily for me, I tried Peruna at the suggestion of my friends before it was too late."

"I found in a few days time that I did not have the usual sick headache, neither did food nauseate me any longer. In two weeks' time Peruna had completely rid my system of the poison and bile, and I was in a much better condition. My skin assumed its normal color, I had a splendid appetite, and I was in every way improved in health. I used Peruna for a month longer, and it wrought a wondrous change in my entire system. I consider it a most wonderful medicine."

Nervous Dyspepsia.

Mrs. J. C. Jamison, 61 Marchant St., Watsonville, Cal., writes:

"I was troubled with cramps in the stomach for six years. I tried many kinds of medicine, also was treated by three doctors. They said that I had nervous dyspepsia. I was put on a liquid diet for three months. I improved under the treatment, but as soon as I stopped taking the medicine, I got bad again. I took the medicine for two years, then I got sick again and gave up all hopes of getting cured."

"I saw a testimonial of a man whose case was similar to mine being cured by Peruna, so I thought I would give it a trial. I procured a bottle at once and commenced taking it. I have taken nineteen bottles and am entirely cured. Have gained in strength and flesh and feel like a different person. I believe Peruna is all that is claimed for it."

Catarrh

Mrs. Joseph Austin Sta., Ohio

"Your medicine great benefit to a catarrh of the nose years. Three bottles, after I had been able to ever be on house, and recom one suffering from as one of my child enough I give them enough is soon gone. This medicine boon to suffering"

has already passed the senate and will likely pass the house without much opposition

The same old bill to prohibit the playing of baseball on Sunday has been introduced this session and seems in a fair way to pass. This same bill has been introduced at every session for many years, but has always met with defeat. The house committee having the bill in charge has agreed to report it favorably, with an amendment which exempts cities of the first, second, third and fourth classes from its provisions. This amendment was agreed to on the ground that cities of the class named can furnish ample police protection at all games on Sunday and prevent any disorder or disturbance.

A fight is to be made to have the express companies, telegraph and telephone companies under the control of the state railroad commission and put them on the same footing as railroad companies as far as regulating rates is concerned. A bill of a similar character was introduced last session as to express companies, but for some reason it was smothered, although its author, Senator George, made a desperate effort to get it voted on. There has been much complaint as to the high and arbitrary rates charged by express companies for years, and according to the general expression of opinion the rates are getting higher and the companies less considerate of the rights of the public every year.

The fight in the present legislature to secure money with which to build first-class public roads in every county is making good progress, as the Bosworth-Wyatt bill has already passed the senate. This bill provides for taking a vote of the people on the question of amending the constitution so that state aid may be given to the counties for road purposes and further provide that any county may take a vote of the people as to levying a special road tax which shall not in any instance exceed 5 per cent of the taxable value of all the property in the county. The mountain counties are especially interested in this proposition, and if given the opportunity will vote almost solidly for such an amendment to the constitution. Some of the senators were afraid the counties might vote too large a debt on themselves and then have to repudiate it, as has been done as to the railroad debts in several counties in recent years, but twenty-seven senators voted

for the bill, while only eight voted against it. The few counties in the state that have good roads and have had them for many years do not appreciate or understand the difficulties encountered in traveling over counties that have nothing but mud roads, but public sentiment is aroused on this question, and it is almost a certainty that the Bosworth-Wyatt bill will pass and that the proposed amendment to the constitution will be voted by the people at the next election.

EXTRAORDINARY.

Rev. Brandon Gives A Splendid Report of Work And Collections of The Methodist Church.

Hardinsburg, Ky., Feb. 11--(Special.)—Rev. B. A. Brandon made his second quarterly report for the Conference year at the Quarterly meeting held here Saturday. It was so extraordinary that we give these figures. Additions to the church, fifteen. For church and parsonage, \$2020, ministerial aid, \$134, for preacher in charge and presiding elder, \$213.90, for incidentals, \$39, for home missions, \$68. Each of the four charges, Hardinsburg, Kirk, Ephesus and Mt. Zion have paid up in full to date. This is likely the best report in the whole Louisville Conference. The Rev. Brandon is being congratulated upon all sides for what he and his people are doing.

Ely's Cream Balm has been tried and not found wanting in thousands of homes all over the country. It has won a place in the family medicine closet among the reliable household remedies, where it is kept at hand for use in treating cold in the head just as soon as some member of the household begins the preliminary sneezing or snuffling. It gives immediate relief and a day or two's treatment will put a stop to a cold which might, if not checked, become chronic and run into a bad case of Catarrh.

Young Men and Ladies.

Everything taken into the stomach should be digested fully within a certain time. When you feel that your stomach is not in good order, that the food you have eaten is not being digested, take a good, natural digestant that will do the work the digestive juices are not doing. The best remedy known today for all stomach troubles is Kodol, which is guaranteed to give prompt relief. It is a natural digestant; it digests what you eat, it is pleasant to take and is sold here by All Druggists.
